(1) The Shimoga-Holehonnur road may be completed at an early date.

(2) Improvements to be made to the cart-track at Kainsara near Holehonnur for affording an easy passage to men and carts passing on that route during the rainy reason.

(3) That the Jade-Tavanandi road may be transferred to the Public Works Department as it is not properly maintained by the Revenue Department.

(6) A native vaidya ala may be established at Santhebennur and also a midwife posted here as Channagiri is far away from this place, until the establishment of a vaidyasala is sanctioned, the Hospital Assistant at Channagiri may be asked to visit this place as before, as the weekly visits of the Hospital Assistant to this place have now ceased.

(13) That a good road may be constructed between Chikkerur in the Dharwar District and Banavasi in the North Canara District as the existing cart-tract is largely used for grain traffic by the people of Anavatti and Kuppagodde hoblis.

(14) A Local Fund Dispensary at Anavatti may be established and a midwife also posted to this place, as this is a populous place far off from Sorab and Siralkoppa and is situated close to Jade and Kuppagodde hoblis.
